Competition Rules + Regulations

All Competing Groups are required to follow these guidelines

10 Minute Performance: If your performance lasts longer than 10 minutes your group will have points deducted from your score. This time limit is based on 14 performing groups and may change. The M. H. V. J. staff will notify you of a change to this within 2 weeks of competition

Turn in your set list ASAP: We require that every group please turn in to us their list set list for the performance. We would like to prevent multiple groups from competing with the same songs. You may email your set list to: milehighvocaljam@gmail.com *no later than OCTOBER 16TH*

Be ON TIME for sound check, all Jam activities and assigned clinics. It is only fair that every competing group gets the opportunity to sing in the auditorium before the competition starts and we have set up a schedule so that all Jam attendees have an opportunity to work with all of our fabulous clinicians.

Appropriate Song Choice: Although there are no limitations on the genre that your group may sing, The Mile High Vocal Jam is an all ages event. We discourage vulgar or inappropriate song lyrics because of our diverse audience.
